

Runner::Runner

```
graph LR; A[Runner::Runner] --> B[Runner::InitApplication]
```

The diagram consists of two rectangular boxes connected by a blue arrow. The left box is white with a black border and contains the text 'Runner::Runner'. The right box is gray with a black border and contains the text 'Runner::InitApplication'. A blue arrow points from the right side of the left box to the left side of the right box.

Runner::InitApplication
